

Biological Test Pack and Culture Service Program

For use in clinical and non-clinical offices

The Propper Biological Test Pack and Culture Service Program is:

- **Fast:** 48-hour lab turnaround time
- **Simple:** place one pre-assembled test pack in your sterilizer for daily or weekly testing^{1,2}
- **Reliable:** spore testing is one of the most dependable methods to monitor sterilization
- **Convenient:** a complete system that is ready to use. Biological indicators in pre-assembled test packs, business reply return envelope with Sterilization Report Form are provided for efficient sample handling. No additional equipment to buy
- **Versatile:** the test pack can monitor Steam, Dry Heat, and Ethylene Oxide
- **Documented:** All results are stored on our secure website and can be printed for your record

Test Results:

- At the end of the 48-hour culturing period the test results are e-mailed to you and available on our secure website.
- If the culture test is positive, which may indicate a sterilization problem - a member of the Propper team will contact your office immediately.
- Upon request, Propper provides a Certificate of Participation in Infection Control Program suitable for display in participating offices.

Reorder Number: 26906700
10 tests

1. ANSI/AAMI ST79:2017. Comprehensive guide to steam sterilization and sterility assurance in health care facilities. Arlington, VA 2017.
2. Recommendations from the Guidelines for Infection Control in Dental Health-Care Settings, Centers for Disease Control and Prevention, 2003.

* Refer to the instructions for use for complete details.

How it works*:

1. Place one test pack in the front of the chamber near the door, along with a normal load.

2. Once the sterilization cycle is done, open the test pack and remove the 2 blue glassine test strips from the pouch and gauze.

3. Fill out the Sterilization Report Form.

4. Place the 2 blue glassine test strips in the business reply return envelope, which should already contain a control strip and mail.

5. We do the rest!
